Modern apartments located within a very short distance from Estepona marina,

Modern apartments located within a very short distance from Estepona marina, close to all amenities such as restaurants, shops, supermarkets, beautiful parks, the beach and a fantastic state of the art gymnasium.

You can also easily access the old town, just a 10 to 15 minute walk away. The apartments will be divided into 9 blocks with 7 levels, with 1 bed, 2 bed and 3 bed properties available, all of which are sold with a private underground garage space included in the price. Depending on the location within the community, certain properties will have sea and urban views.

The kitchens will have Silestone worktops and Balay appliances, buyers have the options to select certain colours for the units and the worktops. Bathrooms will be Porcelanosa, with a bath in the m
